E-mail: delwittc@ufl.edu

## OBJECTIVE

To acquire an entry level position for the spring 2009 in which I can apply Mechanical Engineering skills while expanding my knowledge in a hands-on engineering environment.

## EDUCATION

**Bachelor of Science in Mechanical Engineering** GPA: 2.84/4.0 December 2008  
Minor in Sales Engineering GPA: 3.34/4.0  
University of Florida, Gainesville, FL

**Associate of Arts Engineering**  
Santa Fe Community College, Gainesville, FL May 2005

## EMPLOYMENT HISTORY

**Sales Representative temporary position, Suplifa** May 2007 – August 2007  
Falcon, Venezuela

- Provided and requested pricing information regarding a variety of industrial products to particulars and other companies
- Performed cost analysis on the company imports
- Other duties involved filing and photocopying

**Quality Assurance Analyst Intern, Infinite Energy** May 2006 – July 2006  
Gainesville, FL

- Evaluated recorded customer service and sales calls
- Researched for root causes of error in the billing system
- Performed analytical reviews of gas usage profiles on commercial contracts to verify pricing

**Computer Lab Attendant, Santa Fe Community College** January 2005 – August 2005  
Gainesville, FL

- Performed basic lab maintenance
- Assisted students in the use of the lab resources

## RESEARCH EXPERIENCE

**Design with Chilled Beams, Department of Mechanical Engineering** August 2008 - Present  
• Working under a faculty member to perform an individual research to design a heat exchanger that can be used to heat or cool down spaces.

## PROFESSIONAL AFFILIATIONS

Program Coordinator, Mechanical Contractors Association of America (MCAA) August 2008 - Present  
Society of Hispanic Professional Engineers (SHPE), University of Florida May 2006 - Present  
American Society of Mechanical Engineers (ASME), University of Florida August 2007 - Present  
American Society of Heating, Refrigeration and Air Conditioning Engineers, University of Florida January 2008 - Present

## SKILLS:

**Language:** Fluent in English and Spanish, basic Italian

**Computer:** Knowledge in Microsoft Office 2007, Pro/Engineer CAD software, MatLab, web page design, and basic knowledge of LabView.
